The 2nd Asia-Pacific Conference on Health Promotion and Education

Empowerment for Healthy Settings

May 4th-6th, 2012

The International Union for Health Promotion and Education (IUHPE) and Northern Part of the Western Pacific Regional Office (NPWP) is pleased to announce the Second Asia-Pacific Conference on Health Promotion and Education on May 4th-6th, 2012 at Fu Jen Catholic University.

Conference Focus

1. Main theme: Empowerment for Healthy Settings

(healthy city and community, healthy school and university, healthy hospital and healthy workplace are included.)

2. IUHPE four priority domains are selected as the distinguishing features:

- Social determinants of health
- Prevention and control of the non-communicable diseases
- Strengthening of the health promotion systems
- Sustainable development of health promotion.

Other specific features:

Health promotion and education after disasters, life education
Health promotion via Chinese medicine, traditional foods and sports.
